# Trenton Computer Festival™

## 2003 FLEA MARKET INFORMATION & FORM

The Trenton Computer Festival (TCF), in its 28th year, is a selling and educational show. Educational and training programs run constantly, informing the attendees of the latest in computer technology. Exhibitors are advised to bring large quantities of computer-related merchandise to sell during the show period. Attendees show interest in buying complete computer systems, disks, printers, supplies, parts, books, software, modems, etc - just about everything related to personal computer systems. Surplus and closeout products will sell well!

Trenton Computer Festival, Inc., owner of the Trenton Computer Festival, is a 501-C-3 not for profit organization. The following clubs and organizations share in the proceeds of the Festival: Amateur Computer Group of New Jersey, The College of New Jersey, the Central Jersey Computer Club, the New York Amateur Computer Club, the Computer Education Society of Philadelphia and the ACM/IEEE Princeton Central Jersey Section.
